Anti-Bullying Week 10th-14th November 2025

Dear Parents and Carers,

We are delighted to be taking part in this year's Anti-Bullying Week 2025, which has the theme 'Power for Good'.

The week will kick off with '**Odd Socks Day**' on Monday 10th November, where we are inviting all adults and children to wear odd socks, along with their usual school uniform, to celebrate our Anti-Bullying Week.

Odd Socks Day provides an opportunity in our school to have fun, for everyone to have the confidence to be themselves, and to spread awareness of the core values that Anti-Bullying Week promotes. We are very much looking forward to taking part and can't wait to see all the children wearing their Odd Socks to celebrate their uniqueness.

Throughout the week our pupils will also be involved in other learning opportunities around Anti-Bullying and choosing their 'Power for Good'. You will find attached the parent pack created by Anti-Bullying Alliance, that provides you with more information and support around this topic.

Many thanks for your continued support,

Mrs Young (PSHE Lead) and Mrs Sharp (Welfare Lead & DDSL)
