

Hi Children, over the Summer Break more than 350 new books were added to the Library. I am *eagerly waiting for someone's warm hand to pick me up from the shelf*. We can share my adventures, laugh at my jokes, enjoy my beautiful illustrations and wonder at all my mind-boggling knowledge together. It will be so much fun 😊

I'm *not excited*. I'm *worried* because Of ...

- * sharing bags with water bottles that soak my lovely pages
- * having my corners bent over ruining my beautiful illustrations
- * being left open damaging my spine

AND WORST OF ALL

- * being thrown up in the air so I fall on the floor 😞

PLEASE HANDLE ME WITH CARE and use a bookmark 😊
