In English, your child will write:

An information text based on the Mayan God of Death Cizin it will have three sections – origins, trials and attributes.

In Science, your child will know that:

Before Darwin, **Lamarck's** Idea of acquired characteristics was proposed. (Giraffes stretch their necks in life, which made their children have longer necks).

Darwin as a young man travelled around the world on the **HMS Beagle**. On this 5-year voyage he saw lots of

In Maths, your child will:

Be taking part in theme park maths which requires children using the skills they have learnt this year to design, create and run a theme park on a budget.

Children will also plan their enterprise stalls including the cost to run the stall, the price list and a detailed plan of what it will look like on the day.

In Design Technology, your child will:

take part in food technology which will teach them some essential skills that will be extremely helpful at home and in secondary school.

Children will also learn about a healthy balanced diet and the importance it has as they grow.

In History, your child will know that:

The Mayans were from Meso-America (Central America).

Why the Mayan's are important and the reasons we should study them in school.

The roles and names of some Maya Gods and the significance they had on the Maya way of life.

The interesting farming techniques of the Maya people and how the Mayan calendar helped.

What happened to the ancient Mayans?

Year 6 production

Children are working hard on the year 6 production and we are all very excited to share it with you!

P.S. more dates may come out as we are currently organising a year 6 treat. Last year this was Hollywood bowl.
