Morning drop offs and end of day pick ups

Dear Parents,

Thank you for all your support in what has been an exciting start to the school year. In particular, we appreciate feedback from you that helps us to constantly review our practices to keep all of us safe at school and ensure everything runs smoothly.

The reduced access to our building has led to a busier start to the day particularly for our main entrance located by the Adventure Playground; a polite plea to say goodbye to your children on the main playground rather than to move towards the door, keeping this access area free for the children to flow into school.

As well, many thanks to all the parents that waited for their Year 2, 3,4, 5 and 6 children on playground at the end of the day. Again, keeping the area around the Adventure Playground clear, allowed for a smoother and safe end of day hand over.

Our adventure playground is always a huge hit with the children and we appreciate your support with our rule that it is out of use before and after school.

So as a reminder:

- Please, where possible, say goodbye to your child on the playground in the morning.
- Please wait for your children on the main playground at collection.
- The adventure playground is out of use before and after school.

All of these contribute to a smooth start and end to the day and we always appreciate your cooperation with this.

Yours sincerely and with best wishes,

Mrs Hannah Beckett
Headteacher
