## Travel to School – We'd Really Value Your Views

Dear Parents,

While our electronic gates have been out of action recently, it has provided us with a useful opportunity to reflect on how we all travel to and from school each day.

We have been working in partnership with a Travel Plan Adviser as part of our journey towards making improvements, but we now need your help. Our school takes part in several initiatives throughout the year to encourage healthier and safer journeys to and from school, and as part of our ongoing commitment, we are currently working with Hampshire County Council's Travel Planning Team to update our School Travel Plan.

To help inform this work, we are inviting parents and carers to complete a short travel survey. It is really important to us that we gather a wide range of views so we would be very grateful if you could take a few moments out of your schedule to share your feedback.

The survey will remain open until **Friday, 30 January 2026**.

### Parent and Carer Travel Survey:

Thank you, as always, for your continued support. Your feedback will help us make thoughtful, informed decisions that benefit our whole school community.

Yours Sincerely,

Mrs Hannah Beckett
