Poppy Appeal 2025

Dear Parents,

We hope this message finds you well and enjoying half term!

We are excited to share that from Tuesday 4th November to Tuesday 11th November, our school will be participating in the Poppy Appeal. This special initiative forms a meaningful part of our work around remembrance, allowing us to reflect on and honour the sacrifices made by those who have served in the armed forces.

Last year, thanks to the generosity of our school community, we raised over £400 - a wonderful achievement that made a real difference to those in need. This year, we hope to continue this tradition of support.

The funds raised will go to the Royal British Legion, which provides vital assistance to serving and ex-service personnel and their families, including essential financial support, rehabilitation services and programmes aimed at improving their lives.

During this week, our new in post Young Governors and House Captains will be selling poppy merchandise. These will be priced between 50p and £1 per item and will be sold during break times in the school hall. We encourage our children to take part in this heartwarming event and show their support for such a worthy cause.

Thank you for your continued support in helping us teach our children about the importance of remembrance and giving back. Together, we can make a positive difference!

Yours sincerely

Mrs Hannah Beckett
