Dear Parents,

## **Wessex River Trust river session - Year 5** **Tuesday 18<sup>th</sup> July 2023**

Dear parents,

We have secured a fantastic opportunity with Wessex River Trust for Year 5. We will be having a river education session for both classes, linking to our learning of rivers and covering river wildlife/features and water saving activities. These sessions will offer hands on, immersive activities that will engage our children with the natural world.

We have an assembly on Tuesday 11<sup>th</sup> July to provide a great introduction before the riverbank session. These riverbank sessions will be happening on Tuesday 18<sup>th</sup> July 2023. Lapwing class will go in the morning and Skylarks will go in the afternoon. The children will be walking from school to Fleming Park, to the river, which is where they will complete the sessions.

In order for this to happen, we need your help. To make sure these sessions can go ahead, we need volunteers to help support our classes. If you are interested/free, please could you fill out an online form by clicking the link below:-

### [Volunteering Form](#)

Please speak to anyone in the Year 5 team or reception if you have any questions.

Yours sincerely

Mr Hooton & Miss Cottrell
