Winchester Science Centre - Year 5 Tuesday 12th March 2024

Dear Parents,

Next term the children will be focusing on Space for their main topic. To support their learning, we have organised a trip to Winchester Science Centre and Planetarium on Tuesday 12th March 2024. During the day, the children will have the chance to explore the different scientific exhibitions and visit the planetarium to watch and participate in two workshops: Destination Space and The Planets in our Solar System. This is a fantastic opportunity for the children and will expand their knowledge for the whole topic. The coach will leave school at 9.15am and return in time for the end of the day. We are asking that children wear their school uniform.

Children will need a packed lunch, including a non-fizzy drink. Should you wish HC3S to provide your child with a packed lunch, this can be ordered on the Google form. Your child's packed lunch will cost £3.00 unless you are eligible for free school meals.

The cost of this fabulous trip is £11.50 per child. We are asking that every pupil contributes, as we believe this event will be very beneficial to each child's learning. If we do not receive enough contributions, however, then the trip may not be able to go ahead.

We are requesting that payment is received prior to the trip taking place and to facilitate this, we have broken the payment down into two manageable instalments:

£6.00 to be paid by 01/02/2024

£5.50 to be paid by 01/03/2024

Please complete the form [here](#) indicating your child's participation by **Wednesday 7th Feb 2024**. We are unable to take your child off site without receiving your completed form. As well as medical consent and lunches, this form can also be used to indicate your interest in being a parent helper.

Yours sincerely,

Mr Hooton & Miss Cottrell
