Winchester Science Centre - Year 5 Thursday 27th February 2025

Dear Parents,

Next term the children will be focusing on Space for their main topic. To support their learning, we have organised a trip to Winchester Science Centre and Planetarium on Thursday 27th February 2025. During the day, the children will have the chance to explore the different scientific exhibitions, visit the planetarium to watch and participate in a workshop. This is a fantastic opportunity for the children and will expand their knowledge for the whole topic. The coach will leave school at 9.15am and return in time for the end of the day so please ensure children are punctual on this day. Children will need to wear school uniform for this trip.

Children will need a packed lunch, including a non-fizzy drink. Should you wish to order a picnic lunch (provided by the Pantry) please do so using your child's account. The cost of a lunch provided by The Pantry is £2.80 unless you are eligible for free school meals. Please remember if you have pre-ordered a dinner with the pantry for that day, you will need to cancel this to avoid being charged.

The cost of this fabulous trip is £12.00 per child. We are asking that every pupil contributes, as we believe this event will be very beneficial to each child's learning. If we do not receive enough contributions, however, then the trip may not be able to go ahead.

We are requesting that payment is received prior to the trip taking place and to facilitate this, we have broken the payment down into two manageable instalments:

£6.00 to be paid by 06/01/2025

£6.00 to be paid by 06/02/2025

Please complete the form [here](#) indicating your child's participation by **Monday 6th January 2025**. We are unable to take your child off site without receiving your completed form. As well as medical consent, this form can also be used to indicate your interest in being a parent helper.

Yours sincerely,

Miss Cottrell & Mrs Sutcliffe
